Duke goes in hospital for hip surgery

THE Duke of Edinburgh has been admitted to hospital for planned hip surgery today.

Philip, 96, is said to have complained of a problem with his hip which caused him to miss a Windsor Castle event with the Queen last week.

At the time, he was said to be experiencing some trouble with the joint.

Buckingham Palace said in a short statement: "His Royal Highness the Duke of Edinburgh was admitted to King Edward VII Hospital in London this afternoon, for planned surgery on his hip which will take place tomorrow."

The Duke stepped down from his public duties last summer but on occasion does attend events with the Queen.

His retirement from official engagements was said to be not health-related.

Four Brits killed in horror smash

FOUR Brits have been killed in a car crash on holiday in Florida.

Their rented car was in collision with a pick-up truck as they returned from a day out at the Kennedy Space Center yesterday.

Police in Titusville named the four killed as Adam Stephenson, 30, who was driving, 29-year-old Maryanne Stephenson, Brian Stephenson, 66, and 56-year-old Sheralyn Stephenson, all from the Bristol area.

The truck driver was treated in hospital for non life-threatening injuries.

This weekend's entire episode will be filmed live at Universal Orlando Resort and presented solely by Declan Donnelly, 42, Ant McPartlin's drink-driving scandal.

Throughout the series, hundreds of lucky viewers have been surprised with tickets to Orlando and they took off in a plane specifically chartered by Virgin Holidays from Gatwick Airport for a fun-filled week in the Sunshine State.

YOUNG ANGEL:
Tanesha Melbourne

By MARGARET DAVIS
news@sundaysport.co.uk

A TEENAGE girl was shot dead "for no reason at all" in a fatal drive-by attack during a night of violence in London.

Tanesha Melbourne, 17, was with friends in Tottenham, north London, when she was murdered shortly before 9.30pm on Monday.

Neighbours suggested her death was a tragic result of a postcode war between rival gangs.

A woman who knew Tanesha said she was "just chilling with her friends" when she was shot from a car for "no reason at all".

"The car just pulled up and started shooting," said the 21-year-old, who did not want to be named, adding that she heard the gunshots "like fireworks" from her house.

"I put her on her side and I was just rubbing her back, saying, 'Everything's going to be OK'."

"I just can't believe it - so young."

She told how the girl's mother arrived before paramedics, adding: "She was screaming. She didn't know what to do. She didn't deserve that. Her mum didn't deserve to watch her die."

The witness described the victim as a "good girl", adding: "She was so lovely."

Local rap star Wretch32 - real name Jermaine Scott Sinclair - was among those to pay tribute, tweeting: "Wish I knew what to say about what's happening in my ends. North London we're better then this man

smh R.I.P to the young angel who lost her life last night. Love & prayers to the family. I'm lost for words."

A friend of the murdered girl last night said: "Tanesha was a very known, very lovable little girl in the community, she was not involved in any sort of problems with anyone."

"I can't believe she's gone. She was just an innocent child caught up in this stupid postcode war."

Violence

In a separate flurry of violence on Monday night, a 16-year-old boy was left in a critical condition after he was shot in Walthamstow.

Another boy, aged 15, was taken to hospital with stab injuries.

Walthamstow MP Stella Creasy said on her Facebook page the

16-year-old injured in Walthamstow had been shot in the face.

A section 60 order, which allows police to search members of the public without suspicion amid the risk of serious violence, has been put in place.

In a third incident, a 16-year-old boy was stabbed near St Leonard's Street in Bow, east London, at around 6pm on Sunday. He was given first aid and is stable in hospital.

Four boys - two aged 16 and two aged 15 - have been charged with GBH and appeared at Stratford Youth Court yesterday.

So far this year, the Metropolitan Police have launched 47 murder inquiries, as gun-related crime went up by a fifth, year-on-year, to 6,694.

SOURCE OF NERVE AGENT 'NOT IDENTIFIED'

EXPERTS say they cannot confirm that the nerve agent used to poison Russian spy Sergei Skripal and his daughter was from Russia.

The chief of the Porton Down defence laboratory said it has 'not verified the precise source' of the Novichok nerve agent which poisoned Mr Skripal and his daughter Yulia.

Gary Aitkenhead (left), the facility's chief

executive, dismissed Russian claims that the nerve agent used in Salisbury might have come from the defence laboratory.

He added that its deployment was 'probably only within the capability of a state actor', but that establishing its origins required 'other inputs'.

Russia has fiercely denied any state involvement in the poisoning of the double

agent, who was exposed to a nerve agent in Salisbury, Wiltshire, four weeks ago.

Britain blamed Russian President Vladimir Putin for the attempted murder, and the West has expelled around 130 Russian diplomats in response.

Sources added that the job of Porton Down, in a village near Salisbury, was not to identify blame for the attack but to establish what was used.

FANS' SHOCK AT RUMOURS OF FALL-OUT

TOP girl band Little Mix are reportedly on the verge of a shocking SPLIT – as the pop foursome eye new careers.

Rumours are rife that the girls, who shot to fame after winning *The X Factor* in 2011, are ready to take a temporary break after releasing their fifth album later this year.

However, the babes are divided over the temporary break with Jade Thirlwall, 25, and Jesy Nelson, 26, reportedly in favour while Leigh-Anne Pinnoch, 26, and Perrie Edwards, 24, aren't quite as keen on the idea.

By COLIN HURST
news@sundaysport.co.uk

Divide

A source said: "Their label and management are really worried that the band will break up soon – there appears to be a real divide between them at the moment."

"They are still going ahead with their next album and a tour, but there's a chance it could be their last."

Jade and Jesy are said to be keen on pursuing acting roles whereas Perrie and Leigh-Anne don't want to disappear while they are still topping the charts.

The source added: "They all still care about each other and have said Little Mix will always be their priority."

"But Jade and Jesy feel that it could be the perfect time to have a rest."

"Leigh-Anne and Perrie think it's mad to risk throwing away what they have, and that they should carry on while people still buy their music."

Although Jade and Jesy plan on diving into acting, Perrie could use the break as a way to start a family with footie boyfriend Alex Oxlade-Chamberlain, 24.

A Little Mix insider added: "She's always said she wants to have kids while she's young and a break from the band would be the perfect time to do it."

CHANNING'S LOVESPLIT

CHANNING Tatum and Jenna Dewan have announced their split after nine years together.

Magic Mike star Channing and actress Jenna, who met on the set of dance movie *Step Up*, said they had "lovingly chosen to separate as a couple", in a statement simultaneously posted on social media.

The ex-couple, both 37, said there were "no secrets or salacious events at the root of our decision".

Signed "Chan & Jenna", the statement said the split was "just two best friends realising it's time to take some space".

Three deny shop blast deaths rap

THREE men have denied manslaughter charges after five people were killed in a shop explosion.

Arkan Ali, 37, Hawkar Hassan, 32, and Aram Kurd, 33, were arrested after the blast destroyed a Polish supermarket and two-storey flat in Leicester on February 25.

Mary Ragoobeer (above), 46, her sons Shane, 18, and Sean, 17, Leah Beth Reek, 18, who was Shane's girlfriend, and Viktorija Ljevleva, 22, died in the incident.

The trio also pleaded not guilty to separate counts of arson being reckless as to endanger life and fraud by false representation.

Appearing at Leicester Crown Court via video-link from HMP Woodhill, the three men were told their trial is likely to be heard under a High Court Judge.

Ali, of Oldham, Hassan, of no fixed abode, and Kurd, of Leicester, were remanded into custody until a further hearing on August 31 at the same court.

Malaysia PM ticks off Gregg

MALAYSIA'S prime minister has waded into a storm about a Malaysian chicken dish that was criticised over its lack of "crispy" skin by *MasterChef* judge Gregg Wallace.

Many people from Southeast Asia have slammed Wallace's critique of the popular dish as incorrect, as a rendang should not include crispy chicken skin at all.

And Malaysian Prime Minister Najib Razak tweeted: "Does anyone eat chicken rendang 'crispy'?"

Malaysian-born *MasterChef* contestant Zaleha Kadir Olpin produced the dish as part of a task to create food that was special to her. Wallace (above) told Bristol-based Ms Olpin "the chicken skin isn't crispy, it can't be eaten, but all the sauce is on the skin I can't eat."

She was later eliminated from the competition.

Emily's plunging show by the pool

MODEL Emily Ratajowski has unveiled her brand new swimwear line – and what better way to sell it than wear it.

The 26-year-old stunna sent temperatures soaring as she modelled her Inamorata swimwear range but couldn't resist stripping off in one saucy snap.

She posed topless in a tiny pair of green bikini bottoms and wore nothing in a poolside posing shot – but she eventually did put the bikinis on!

Emily looked just as incredible in her red and black printed two piece, which showed off her incredible cleavage and peachy bottom.

COMMONWEALTH GAMES SEX SCANDAL

Team boss denies girl athlete's sex claim

By COLIN HURST
news@sundaysport.co.uk

THE Commonwealth Games was hit by a bizarre sex scandal on the eve of its opening ceremony.

Mauritius chef de mission Kaysee Teeroovengadam has been accused by a female athlete of inappropriate sexual behaviour at the athletes' village on Australia's Gold Coast.

The accuser, who can't be named for legal reasons, alleged the incident took place soon after the

ACCUSED:
Mauritius top official

team moved into their Australian accommodation.

It's believed Queensland police received no official complaint and are therefore unable to act on the allegations.

Mr Teeroovengadam apparently approached police to file an official statement claiming his innocence, but police did not take down a statement due to the lack of a complaint. The female athlete was allegedly told to wait until the team got home before making a formal complaint.

Gossip

However, Mauritius team official George Siniska told the media he does not believe that to be the right course of action if the allegations are true.

He said: "We've got the Australian ways that we have to follow."

"We are here, so we have to follow the rules here."

Mauritius weightlifter Alvin Jooron said there has been a great deal of distracting gossip among the team.

He said: "Something happened, but we are focusing on our training and performance, and also what we will do at our respective competitions."

It's understood the claims were first posted to social media.

Get the Flack into villa on Love Island!

FORMER *Love Island* contestant Olivia Buckland reckons presenter Caroline Flack should appear in the villa after a string of failed romances.

Tattooed beauty Olivia, 24, who found love with her fiancé Alex Bowen, 25, on the ITV2 show says that Caroline should swap her host role for a spot in the reality show.

Caroline (above), 38, split from her boyfriend Andrew Brady, 27, last week after reports of cheating dogged the *Celebrity Big Brother* hunk.

And Olivia has offered some advice to her *Love Island* pal, saying: "Caroline Flack has dumped Andrew Brady over new cheating claims."

"It's such a shame they didn't work out. I thought it would last a while and that he was going to give it a go."

"In pictures they looked so happy, so for him to then go and do that is so annoying because Caroline's such a lovely person."

"She needs to go on *Love Island* herself!"

Ant's drink-drive hearing delayed

TROUBLED telly presenter Ant McPartlin has had his court hearing for drink-driving postponed to a later date.

The 42-year-old (above) was due to appear at Wimbledon Magistrates' Court today charged with the offence.

McPartlin was allegedly involved in a collision with two other cars while driving his Mini in Richmond, west London, on March 18.

ITV then announced that the *Geordie's* co-presenter Declan Donnelly would present the end of the current series of *Saturday Night Takeaway* on his own.

COCK HAPPY: Sue and Mel loved having a hard time

Rude game, rude game!

TWITTER went wild over *The Generation Game* on Sunday, after one contestant was spotted carving a COCK.

BBC bosses were hoping the revival of the iconic TV show would go down a treat – but the only thing that raised a laugh was the pottery sketch which saw a very phallic looking carving.

Identical to the Make That segment made famous by *The Generation Game*, one member of the audience

sat by the pottery wheel and made a rude-looking spout.

Hosts Mel Giedroyc and Sue Perkins were left giggling at the penis-shaped sculpture – while celebrity guests Richard Osman, Lorraine Kelly and Johnny Vegas were doubled up laughing.

Despite the funny moment in the BBC reboot, the show failed to impress fans and fell flat with TV critics who branded it a 'car crash'.

I WAS RAPED BY A NUN

VICTIM: Edward Hayes had trousers pulled down

A CHILD sex abuse victim has revealed how a nun who repeatedly raped him when he was 12 years old went on to have his baby.

Edward Hayes says he was abused for almost three years during his time living at the John Reynolds Home in Lytham St Annes, Lancashire.

The home was then run by Catholic nuns from the order of the Franciscan Missionaries of St Joseph.

Mr Hayes, now a 76-year-old grandfather who lives in Carlisle, has bravely waived his right to anonymity to reveal that he was raped by 27-year-old Irish nun Sister Mary Conleth during his time at the home during the 1950s.

Mr Hayes was just 10, and known as Billy, when he was taken to the home. Having grown up poor and neglected and suffering from

And she had child by him

malnutrition, arriving at the home initially appeared to be a blessing.

He said: "It was nice to be somewhere warm, where I was eating food and having hot baths."

"My first years there created some great memories for me."

"I was a great student, I sang in the choir, I could read perfect Latin and play football."

Dirty

This changed when Irish nun Sister Mary Conleth arrived a couple of years later. She worked in the laundry room and asked for Mr Hayes' assistance.

He was regularly left on his own with Sister Conleth, giving her access to him daily.

He said: "I had barely started

work in the laundry when it happened. I was still twelve. She'd pull my trousers down, push me to the floor and lay on top of me."

"She would pull her habit up and she had no pants on. She'd talk dirty to me."

"I would not let her kiss me – I thought babies were made by men kissing women."

At the age of 14, Mr Hayes was even allocated his own room – something unheard of at the home.

The reason for the perk soon became apparent when Sister Conleth started paying him visits after lights out.

The abuse came to an end in April 1956 after the nun declared she was pregnant. She died in 2002.

A spokesman said: "The Franciscan Missionaries of St Joseph have offered our sincere and unreserved apology for the abuse Mr Hayes suffered."

Ex-hubby was 'shit' in sack, blasts Kerry

FORMER Atomic Kitten star Kerry Katona blasted her ex-husbands for their performances in the **BEDROOM**.

The 37-year-old blonde beauty (above), who is currently single, also slammed first husband Brian McFadden, 37, for leaving to be with Delta Goodrem, 33.

She said: "I've been married three times and I still don't talk to any of them."

"All I wanted was to be a mum and a wife. I tried to recreate that with my first husband and the f**ker left me for Delta Goodrem."

Kerry, who married Brian in 2002, split from him in 2004 and went on to marry taxi driver Mark Croft, 46, in 2007 before tying the knot with George Kay, 37, in 2014.

She added: "For me, it's about humour, you've got to make me laugh. And they all did... in bed."

"Only joking - George was all right in the sack, Brian was shit!"

Kerry is now touring the country alongside best friend and former *Real Housewives of Cheshire* star Ampika Pickston, 36.

THIS Morning co-host Phillip Schofield is set to be offered a major **RECORDING** contract.

The 56-year-old telly star (above) may be given the chart-topping opportunity by Warner Records execs after impressing with his recent performance on hit ITV show *Saturday Night Takeaway*.

Phillip performed songs from *Joseph and the Technicolour Dreamcoat* after also being the lead in the stage show in the 90s.

A source said: "His cameo had folk talking. Warner want to tap into that interest with a two-record deal."

RING KING AJ REVEALS SECRET OF HIS SUCCESS... SEX THE NIGHT BEFORE A BIG FIGHT? I'M UP FOR IT!

Miss Bum Bum gets a bit Messi!

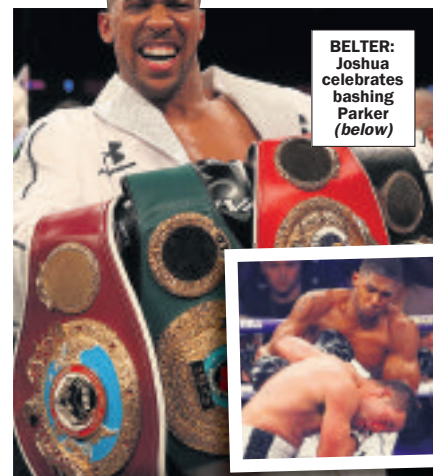

BARCELONA football superstar Lionel Messi has received some **VERY** firm support ahead of this week's Champions League clash with Roma.

Former Miss Bum Bum winner Suzy Cortez posted a snap of herself wearing a Barcelona shirt emblazoned with the tallman's name ahead of his quarter final match against the Italian

side.

It's not the first time 27-year-old Brazilian Suzy has offered her support to the Catalan giants.

Previously, she's painted her naked body in the club's famous red and blue stripes - but her latest snap showed her flashing her world-famous bottom.

BELTER: Joshua celebrates bashing Parker (below)

By **BECCA STUBBS** becca@sundaysport.co.uk

HEAVYWEIGHT champion Anthony Joshua revealed he gets plenty of **SEX** in before a big fight and only goes without on the day of his bout.

The 28-year-old king of the ring beat New Zealander Joseph Parker on points in Cardiff last weekend to add the WBO title to his IBF and WBA crowns.

And now the British brawler has revealed the shagging truth behind his stratospheric rise to success.

When asked about abstaining from bonks before his big fight, Joshua said: "I'm the new breed, the new generation of fighter."

He insisted he only stops romping on the big day, saying: "The day of the fight suits me in terms of a ban."

It seems AJ has taken advice from former world heavyweight champion Larry Holmes, 68, who gave our ring master some top tips last year ahead of his fight with Carlos Takam, 37.

Energy

Holmes previously said: "If I had to give him one piece of advice, it would be this - get laid a week before each fight."

"You need to relax. It restores your energy and everything."

"He's a heavyweight, he's got to get that shit out of him."

"But he doesn't want to do it every day, because that might drain him!"

"They say you're not allowed to do it when you're fighting. I listened for a while but then found out it was all a lie and you're missing the good stuff, man."

David Haye, 37, famously once said he does not ejaculate for six weeks prior to a fight and boxing legend Muhammad Ali refrained from sex for weeks before a fight.

Car Share fans to get extra ride

A MATINEE screening of Peter Kay's *Car Share* has been announced following "exceptional demand" for the charity event.

A second screening of new episodes of the hit show was announced at the weekend after tickets to the event sold out in minutes.

Now a third screening has been set up, with a message on the comedian's official Twitter page.

The screenings, at Blackpool Opera House, take place on April 6 and 7.

The second series of BBC show *Car Share* ended on an emotional cliffhanger last year as John (Kay) failed to reciprocate the advances of his car share colleague Kayleigh (Sian Gibson).

And fans were dismayed when Kay announced that he had no plans to pen a further series.

But the comic later announced special episodes – a finale to reveal what happens next for the pair and an entirely improvised episode, *Car Share: Unscripted*.

Maggie, you're undies arrest!

SEXY Victoria's Secret lingerie model Maggie Laine is no stranger to posing – which is why she takes a great mugshot.

Maggie, 21, (above), was arrested for possession of cannabis on St. Patrick's Day in Muscogee Co, Georgia. However, weed isn't illegal in the Peach State and, as she had less than an ounce in her possession, police were forced to release her.

Her mugshot has now been released and, despite walking the Victoria's Secret Fashion Show last year, Maggie doesn't look too different in the arrest photo.

TEACHER'S SAUCY LESBO POSTS...

And this is me in bed with my 17-year-old star pupil!

DENIAL: Valeria claims racy pics were doctored

AN EXPERIENCED teacher is being quizzed after photos of her getting intimate with her star teen pupil appeared on social media.

One pic even showed the school miss in bed with the apparently naked teenage girl, kissing each other passionately.

Deputy head teacher Irina Ibragimkhalimova, 41, is shown in alleged intimate images with Valeria Fedorova – now 18, but 17 during the supposed affair.

The case has been handed to Russia's Investigative Committee which examines serious crimes.

Kissing

One local website, Mash, reported: "Valeria and her teacher Irina are suspected of having a true sexual affair and this is supported by the evidence picked up in the social networks of both."

"Screenshots prove that they posted many pictures where they were together, hugging and kissing each other, and one particular photo posted by the teacher is really intimate – making everyone think they did have sex."

Valeria has since claimed the pictures

By **COLIN HURST**

were altered using Photoshop, but a full investigation was launched into the conduct of Ibragimkhalimova, a biology teacher, who has still not commented on the scandal in Borovichi, near Moscow.

But the student said: "I have spoken to Irina Ibragimkhalimova and she says she does not have this kind of underwear as in the pictures. It looks very old."

She had never seen her teacher wear "this strange male-style shirt", she said, adding: "And look at the breasts. I am sorry, this is not my size at all, they made it up."

Both the teacher – who has an adult son – and student have deleted their social media accounts.

The pair admit to being "friends" and are backed by head teacher, Lyudmila Krupkina.

She said: "These images could be linked to blackmail."

Valeria is due to be awarded a gold medal for her studies, which would fast track her into some of the top Russian universities.

His footage shows the man lying face down on the grass in the rain without a top on and his trousers around his knees.

The man can also be seen holding a

6ft flag pole to his bum while filming himself.

Steven can be heard in the clip, saying: "There's a lad f**king himself, filming it on his phone. He's filming it on his phone, f**king his own arse. Look at that."

The incredible footage captures the filthy event before, after about a minute, the man places the flag back

into the hole and gets up from the ground.

Then he tugs his trousers back up and starts walking towards the edge of the course.

As he walks away, Steven can be heard shouting: "Bagsy ain't picking that flag out the hole."

A spokesman for Merseyside Police said it is investigating the incident.

Humor hell of man brought up by wolves

A **REAL-LIFE** Mowgli who claims to have lived with wolves for 12 YEARS says he's disappointed with life in the human world.

Marcos Rodriguez Pantoja, 72, was born in Spain's Córdoba province in 1946, but his mother died when he was three and he was abused by his father and stepmother.

He was sold to a goat herder in the mountains of the Sierra Morena, but the man died when Mr Pantoja was just seven.

He says he was then "adopted" by a pack of wolves, who accepted him as one of their own.

Mr Pantoja, who slept in a cave and lived off berries and mushrooms, says his time with the wolves was the happiest of his life – and he finds human life "confusing".

GEORDIE PAIR TO FIGHT IT OUT FOR CHLOE

**PAIR OF
BOXERS:**
Marty (top)
and Sam
(right) will
get in ring

By BECCA STUBBS news@sundaysport.co.uk

GEORDIE Shore hunk Sam Gowland and Marty McKenna are set to FIGHT over mutual love interest Chloe Ferry.

Marty, 23, sparked a war of words after admitting he still had feelings for ex-girlfriend Chloe, 22.

He posted an old black-and-white photo of the couple when they were together and revealed he missed the busty babe.

Despite later confessing it was an April Fool's joke, the Instagram post failed to amuse Chloe's current boyfriend and *Geordie Shore* co-star Sam.

Instead of seeing the funny side, Sam lashed out at Marty, branding him 'muggy' and then invited him to sort out their differences in a boxing match.

Sam, 22, penned on Twitter: "Must be bored at home of still on the sesh ya wiff head trying to act all muggy online."

Chilling

"Come act muggy to me face in a charity boxing match all proceeds go to charity of our choice (sic)".

Refusing to back down, Marty replied: "Haha it was an April fools but if that's what u wana do then that's what u wana do."

"I'm chilling with my family now not on the 'wiff' if u wana sort this out then inbox me your number and we will defo sort this oot don't worry (sic)".

Chloe and Marty had an on-off relationship for years but finally ended their romance after appearing on MTV's *Ex On The Beach* last year.

Since then, Chloe has found love with new *Geordie Shore* hunk Sam. They made their relationship official on the latest series of the reality hit.

AISLEYNE: BLOW JOBS SUCK!

By COLIN HURST

news@sundaysport.co.uk

REALITY telly star Aisleyne Horgan-Wallace says she's done a complete reversal on her ORAL SEX habits.

The busty blonde posted a quote on Instagram referring to her blowjob skills and branded herself a "throatosauras".

Aisleyne, 39, who is known for her opinionated views and the odd crude comment shared her suck-off joke with her 161,000 followers.

Her post said: "I remember me saying I ain't gone ever suck dick, now look at me throatosauras."

And she captioned the shot: "Good girl turn BAD BAD BAD" along with some suggestive emojis.

Sucking

Then she added an aubergine and a water squirt emoji to really emphasise her point and hinted she can't STOP sucking cock now!

The confession came just days after Aisleyne admitted she has hopes of turning herself into a sex doll.

She said she'd met with manufacturers and reckons a sex doll designed on her sexy curves will be a big hit with fans.

Talking about her doll dreams, she said: "A

life size sex doll, with everything cast the same as mine.

"My guy said it would be perfect because it will be a muted version of me and he'd buy one! Already been in touch with manufacturers, I think I'm on to a winner."

Stunning reality star

Aisleyne shot to fame when she appeared on *Big Brother* in 2006 and also appeared as an all-star on a later series of the hit celeb show.

She used the money she earned from TV to start a property empire which is now said to be worth millions.

Jailbreak pair ply guard with booze

TWO prisoners escaped from a maximum security prison by getting a guard DRUNK and convincing him to let them go and buy more alcohol.

The pair did not return and police in the Colombian capital Bogota are now hunting for them.

Colleagues of the guard at La Picota jail said his breath smelt of booze and he refused to be breathalysed.

A prison director said the production of homebrewed liquor inside the prison was common, despite frequent checks.

The two fugitives were identified as Jhon Gutiérrez Rincón, a Farc rebel who was sentenced to 40 years in jail for kidnapping in 2003, and Olmedo Vargas, who had recently demobilised from the Farc rebel group but who was awaiting trial for alleged theft.

Star Wars fans call for Helen to be Princess Leia

LEGENDARY actress Helen Mirren could be set to take on the iconic role of Princess Leia in the *Star Wars* franchise.

The role was made famous by Carrie Fisher, 60, who died in December 2016.

But fans want to see Helen, 72, revive her Princess Leia character.

An online petition calling for the Oscar winner (above) to play Princess Leia in *Star Wars: Episode IX* has amassed thousands of supporters.

Carrie appeared posthumously in *Star Wars: The Last Jedi* which hit the cinemas in December 2017.

The petition says: "As the fans of *Star Wars* and Carrie Fisher, we really want Leia to shine in Episode IX and we certainly do not want her to be written out of the film abruptly without a reasonable plot.

"Therefore, recasting Leia is a more ideal option for us and we believe that Helen is an ideal candidate to play Leia."

Corden dad is hopping mad at son's critics

COMIC James Corden's dad has blasted film critics who panned his son's new movie.

James, 39 (above), lends his voice to the animated character of Peter Rabbit in the new film about the Beatrix Potter story.

However, he didn't impress Radio 5 Live presenters Mark Kermode, 54, and Simon Mayo, 59, who described his stint in the film as "appallingly irritating".

Dad Malcom Corden wrote to the duo and blasted their critique of James in a letter which was read out on air.

He said only he and his wife Margaret had the right to describe their famous son in such a way.

In the letter, he wrote: "To hear you describe our son as appallingly irritating was very difficult to listen to."

"As parents, we're the only ones who have the permission to describe our offspring as appallingly irritating."

Peter Rabbit also stars Margot Robbie and Daisy Ridley.

A MAN said he fired shots from his rooftop when he thought "armed ninjas" and comic book character Deadpool (above) were breaking into his home.

John Pochron, 31, and his girlfriend, Holly Bercofsky, were both treated in hospital after the incident that led police to close a major thoroughfare in Dry Tavern, Pennsylvania.

Cops said Pochron was "irate, combative and uncooperative and had to be Tasered in order to be placed under arrest".

He had 0.71g of crack cocaine and a crack pipe and is being held on multiple charges.

SACKED: Kenleigh Prendergast's office

Chloe's looking Good in the sun!

IT seems that all reality TV star Chloe Goodman does is jet off on holiday.

But who can blame her, when she's got a killer body like this?!

The 24-year-old model and telly beauty is an expert at parading her enviable curves in sun-soaked locations around the world – and her trip to Dubai was no different.

She peeled off her clothes to reveal a pink and black string bikini and showed off her very perky pair of boobs.

One onlooker said: "Chloe's even hotter than the bloody weather out here!"

A SCHOOL teaching assistant has been sacked after admitting to SHAGGING one of her students in her private office.

Kenleigh Prendergast, 25, was sacked after starting an 'inappropriate sexual relationship' with the student at the private school where she offered her services.

The 25-year-old counsellor texted and even FaceTimed the teenager during the school day before arranging to meet him in her office after hours.

She had only worked at Spartanburg Day School in South Carolina for five months before starting the affair with the pupil – described as 'aged 16 or 17' – in January this year.

Affair

Prendergast claimed their relationship ended several days before she was reported to police in March, but later she confessed to continuing the affair with the youngster.

After a string of texts and FaceTime sessions, the couple even met at her home, which she claimed doubled up as a private counselling practice.

Prendergast was taken to Spartanburg County Sheriff's Office

Detention facility and charged with sexual battery with a student aged 16 or 17 with no aggravated force or coercion.

The school fired Prendergast as soon as it was informed of the allegations.

A school statement said: "Spartanburg Day School was contacted on March 31 by the Spartanburg County Sheriff's Office and informed that an employee, Kenleigh Prendergast, was charged with sexual battery with a student."

"Ms. Prendergast was hired in August 2017 as school counsellor. Effective immediately, her employment with the school has been terminated."

ELEPHANT KILLED IN CIRCUS CRASH

AN elephant has tragically been killed and four others injured after a circus truck tipped over in a road accident.

And the incident has since provoked an outcry among animal rights activists.

The truck overturned on Monday on the road linking Albacete with Murcia, in Spain, after overtaking another long vehicle, said Albacete's Civil Guard spokesman Jose Amado.

He said the movement of the five female animals could have destabilised the truck they were travelling in.

The driver was not injured, the spokesman said, but one of the elephants sadly died at the scene.

The four surviving animals – three of them with minor cuts and one with injured legs – are being treated by vets at a public facility before being moved to a clinic.

American model Melissa Lori, 27, has twice been crowned *Playboy's* Cyber Girl of the Month and squeezed her curves into a sexy two-piece.

Blonde beauty Toni Garrn, 25, caught the eye of Hollywood lothario Leonardo DiCaprio in 2013 – and looking

at these sexy beach pictures of her topless sunbathing, it's no wonder the A-list actor dated the gorgeous German model for a year.

Alina Baikova, 27, flaunted her curves as she peeled off her bikini top to catch an all-over tan and let her pert pair feel the sea breeze.

Eye-popping Italian beauty Claudia Romani, 35, looked sensational in her white bikini bottoms and teased onlookers as she covered her bare boobs with her hands.

Broody Gem eyes gastric band option

REALITY telly star Gemma Collins is considering having a GASTRIC BAND fitted in a bid to boost her chances of pregnancy.

Gemma, 37 (above), recently rekindled her on-off relationship with *TOWIE* co-star James 'Arg' Argent, 30.

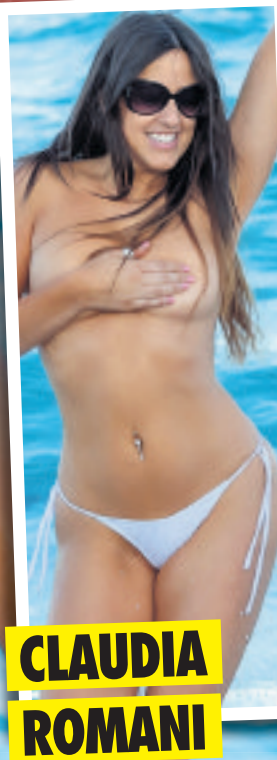

Despite only making their relationship official a couple of weeks ago, Gemma is said to be planning to have a gastric band fitted so she can lose enough weight to carry a baby.

Although *The Only Way is Essex* blonde has previously ruled out surgery – it seems her romance has made her reconsider.

A source said: "Gemma has changed her mind about having a gastric band. She's so desperate to have a baby now, she will try anything to lose weight."

"She's tried dieting, juicing, you name it, but she can never sustain it, especially now she's with Arg – they both love food."

"Gemma's willpower is zero, so a gastric band is perfect for her as she will be physically restricted."

2 held in Dewsbury terror probe

POLICE PRESENCE:
Officers at the scene

POLICE have arrested two men on suspicion of planning acts of terror.

Loud bangs were heard as Counter Terror officers forced their way into two addresses in Savile Town, Dewsbury, West Yorks.

Counter Terrorism Policing North East said men aged 52 and 21 were arrested "on suspicion of being concerned in the commission, preparation or instigation of acts of terrorism".

They have been detained at a police station in West Yorkshire for questioning, and two homes were last night being searched in connection with the investigation.

A spokeswoman for the unit said: "The public may have heard loud bangs at the time police officers entered the properties."

"We would like to reassure them that this was part of the method of entry to gain access."

Planned

The arrests were planned and "part of a proactive, intelligence-led investigation", the unit added.

"They were not being linked to an ongoing malicious communications investigation into the so-called 'Punish a Muslim' letters."

Police activity was centred on two houses, 300 yards apart, on Headfield Road, in the Savile Town area of Dewsbury, home to a

large Asian population.

A large police presence, including armed officers, remained outside the first house yesterday.

Neighbours said an elderly lady used to live at the address until her death and the house has since been rented out, with the blinds always kept closed and few people seen coming and going.

Raid

Locals said there had been a raid, or police activity, at this property, a couple of months ago.

Further down the street forensics officers wearing purple gloves could be seen going in and out of another property.

Boy's 12hr sh*t ordeal

A TEENAGE boy prayed to God for help after falling into a river of SEWAGE and being trapped for 12 hours.

Jesse Hernandez, 13, had been playing with other children on wooden planks over an access portal to the sewer system during a family outing on Sunday at a park in Los Angeles, US.

When one of the planks broke, Jesse (below) fell about 25 feet and landed in fast-moving sewage.

The other children immediately told adults, who called the emergency services.

Rescuers finally pulled Jesse out on a hose reel after seeing images of handprints on a sewage pipe.

"I was praying to God to help me and to not die," Jesse said.

"It was all quiet. You could just hear the water running through and you couldn't see anything. It was dark."

STUNNING beauty Jess Impiazzi has exactly what it takes to be one of the best ever glamour girls – she's fit, has massive boobs and loves slippery BLOWJOBS!

Busty Jess, 25, has wowed fans across the world after her appearances on *Ex On The Beach* and *Celebrity Big Brother*.

And it's not hard to see why producers are queuing up to get this babe on their shows, as she showcases her cracking 34DD charms in this raunchy shoot.

Tension

Stripping off to lingerie and knickers, Jess lifted the lid on the steamy side we don't get to see on the box.

Jess from Haslemere, Surrey, purred: "I think I'm a good girlfriend, I like giving oral. I don't really like it when a fella returns the favour though – sorry, but it doesn't float my boat."

"It's great to tease your man before sex. I like to dress up in nice lingerie to build up the tension before I take it slowly off."

"It really drives men wild and that makes me feel so sexy and confident."

THE CORSA CANNIBALS STRIKE AGAIN!

By **TOM WILKINSON**
news@sundaysport.co.uk

BRAZEN thieves stole the **FRONT END** off a **Vauxhall Corsa** while it was parked up outside the owner's house.

It comes as the latest example of the bizarre so-called Corsa Cannibals phenomenon where crims strip entire parts from the popular hatchback's bodywork.

They struck overnight between Good Friday and Easter Saturday in Chester-le-Street, Co Durham, removing the bonnet, grille and lights from a silver Corsa.

The thieves smashed the front passenger window, leaned in to pop the bonnet open, then unscrewed the front of the car to leave the engine exposed.

Asleep

A mechanic said it could have taken as little as 10 minutes to steal – all done while the 45-year-old vehicle's owner was asleep in his home, just yards away.

The unnamed man said: "I could not believe my eyes when I saw it."

"My neighbour saw it first and she rang me to tell me the front of my car was missing."

"I am furious that someone has just taken what is not theirs and caused me a great deal of hassle."

"It was so brazen."
Vauxhall said its cars were targeted because

they are popular.

A spokesman for the motor firm said: "This is wanton vandalism – if

a thief is determined enough they can steal parts from any make of car."

Matt: I'd love Strictly curse with Darcey!

TELLY presenter Matt Johnson would love to do *Strictly Come Dancing* as he wants to fall victim to the show's infamous CURSE.

The 35-year-old (above) is currently single but has enjoyed high-profile romances with *The One Show's* Alex Jones and *Strictly* winner Kara Tointon.

Matt wants to take part in the BBC dance competition purely to find a hot dancer for some romance.

He also revealed he has a huge crush on *Strictly* judge and former ballet dancer Darcey Bussell, 48.

Matt said: "I'm thinking of doing *Strictly* for the curse – some of those dancers are well nice. It'd be great. But I don't think I can do it because of my restraining order with Darcey!"

The former *This Morning* star added: "I'm not going out with any celebs, but I am trying. I'm liking things on Instagram!"

"Dating can be tough and sometimes it can be difficult to meet people."

Fact me!

SOMEONE who scours the internet looking for details of their illnesses is called a cyberchondriac.

Real Housewives dream for Jessica

LOVE Island babe Jessica Shears says she'd love to star in hit reality show *The Real Housewives of Cheshire*.

The busty 23-year-old (above) shot to fame in last summer's hit ITV2 show and found love in the luxury villa with fellow hopeful Dom Lever, 27.

Since leaving the villa, the pair are now engaged live together in Cheshire.

Jess said: "I'm not quite a housewife yet – I'm getting there – but I wouldn't say no!"

The Real Housewives of Cheshire recently added Paddy McGuinness' wife Christine, 30, onto the popular show.

SEX AT LAST? THAT'S ANDIE!

By COLIN HURST news@sundaysport.co.uk

HOLLYWOOD star Andie MacDowell says she's LOVING all the attention her sizzling new SEX SCENE is getting.

Andie, 59, has been appearing in movies for four decades and she's showing no signs of slowing down as she gets down and dirty in new movie *Love After Love*.

The brunette beauty looks sensational in her jaw-dropping romp scene with on-screen love interest Chris O'Dowd, 38, and she's revelling in all new attention.

Andie said: "With this film *Love After Love*, everyone is suddenly paying attention!"

"I have sex in this. I'm naked."

Gratuitous

"It's not gratuitous. It's emotional."

"I've done sex scenes before and felt all right this time as I knew everyone around."

"I didn't care who was there."

"I felt no shame. I knew it's important to the character."

"I've seen this film three times. It has no effect on me. I feel fine watching it."

"This is the most attention I've gotten in a long while. It's brought huge opportunities."

"Even talk – which I'm open to – of a Broadway opportunity."

Andie has previously starred in hit movies including 1994's *Four Weddings and a Funeral* and 90's comedy *Groundhog Day*.

Heli-cock-ter burglar held

A PERV broke into a house where he played with a toy helicopter, scoffed a salad and finished off with a furious wank, say police.

Jason Vickery, 23, "sought out the toy's batteries and flew the helicopter for a while, thus depriving the owner of the item", said an official report.

At some point while inside the home, he ate a salad he happened to have with him.

Afterwards, Vickery tugged in the bathroom on the second floor but stopped when he heard cops outside.

They then confiscated a bag of marijuana and other drug paraphernalia.

Vickery, from St Augustine, Florida, was charged with theft and burglary.

Cops chase McDonald's mix-up dad

A HAIRDRESSER who was handed the wrong order at a McDonald's drive-thru says police threatened to fine him after tracking him down to his home.

Santo La Rocca, 44 (above), stopped at the fast food place in Sydney, Australia, to pick up food for his kids on the way home.

But didn't realise until later that he'd been given another order, worth £10 more.

The dad-of-two said he shrugged off the incident but was shocked when he and his kids were awoken by cops knocking on his front door – who let him off with a warning.

Easter Taser mum nicked

A MUM used a Taser to get her ten son up for an Easter Sunday church service, claim police.

Officers arrested Sharron Dobbins, 40 (above), of Phoenix, Arizona, on a child abuse charge.

She is accused of using the stun gun on her 16-year-old son.

A police report says: "Ms Dobbins stated she only sparked the Taser to get the kids up for church on Easter and that she never Tased anyone."

Dobbins said she would make arrangements for the boy to live elsewhere as she awaits her court hearing on April 16.

Shakespeare back on Beeb

A SECOND series of drama Shakespeare & Hathaway: Private Investigators is set to return to BBC1 with stars Jo Joyner and Mark Benton.

The first instalment of the daytime series was a hit on iPlayer.

It starred Benton as private investigator Frank Hathaway and Joyner as his sidekick Lu Shakespeare in an unlikely partnership, set in Stratford-upon-Avon.

SOAP STAR SUED FOR ORAL SEX 'ATTACK' ON BOY, 16

ACTRESS: Jamie Lunt (circled)

She rubbishes claim

By COLIN HURST news@sundaysport.co.uk

MELROSE Place actress Jamie Luner is being sued for £180m by a man who accuses her of giving him drugs before sucking him off when he was underage.

Anthony Oliver claims he met the soap star, who was 26 at the time, at her house party in 1998.

He's suing her for emotional distress and sexual battery.

Mr Oliver's brother was a friend of Luner's male makeup artist, who had developed a crush on the 16-year-old.

He claims Luner called him "adorable" and gave him a Jack Daniels and Coke. He said they talked for three hours before going into her room.

That's when Luner pulled out a small bag of crystal meth and told him "it's going to make you real horny", Mr Oliver said.

Mr Oliver declined and asked for two Tylenol painkiller pills instead, which he claims were laced with crystal meth.

He said he then began to feel sexually aroused and that Luner performed oral sex on him before putting his penis in the mouth of the male makeup artist.

Mr Oliver alleges he had sex with Luner multiple times.

Couch

At one point, he claims, she told him: "Come bend me over the couch and ram me."

When his brother returned to the party he recorded the pair having sex, Mr Oliver also claims.

Mr Oliver says the experience turned him into an alcoholic and left him "not knowing if he is attracted to men, women, or both," according to the lawsuit.

Two other men have also come forward to the Los Angeles Police Department to accuse Luner of drug-induced sex.

A spokesperson with the LAPD said the Robbery Homicide Division, who handles

all celebrity and high profile cases, has not opened an investigation at this time into the *Melrose Place* star.

However, the alleged victim has filed a report with the LAPD, and Luner might be facing a charge of "oral copulation" with a minor.

Luner's manager says that the allegations had "no merit" and a "blatant attempt at extortion".

Even if Luner had been found guilty, she would have likely only been charged with a misdemeanour if the sex act was consensual due to the fact that the victim was over the age of 16 at the time of the incident.

Bye, sexual!

CELEB LESBO COUPLE RUBY AND JESS SPLIT

THESE are the boobs that sexy lesbian Jess Origliasso has kissed goodbye to.

Orange is the New Black star Ruby Rose and her lover Jess have called time on their romance after almost two years together.

Actress Ruby, 32, began dating Jess in 2016 after she directed and starred in The Veronicas' music video for *On Your Side*.

Jess, 33, is a member of the girl band alongside her twin sister, Lisa Origliasso, 33, but the stunning couple have ended their relationship.

In a statement on Twitter,

Ruby said: "I've shared the past two years learning and sharing my life with an amazing human being."

"Break-ups are always incredibly hard on the people involved. It's with a heavy heart to share that Jess and I parted ways a few months ago."

Fans were quick to brand their split as an April fools' but Ruby responded and added: "I understand it's April 1st but I would never use something so personal as an April fool's joke."

Rumours of a split between the good-looking girls began last December when Jess unfollowed Ruby on social media.

2D Will: I hated being a pop idol

SINGER Will Young slammed his pop star days and said he HATED every minute of his chart-topping fame.

Will, 39, who shot to fame after winning *Pop Idol* in 2002, said: "I hated being a pop star, I would never put out a record again."

"It makes me sick to think of being that person I knew wasn't really me."

"I did have some good times and did meet some very good people, but I was never comfortable, never happy."

"You get the record deal, the big hits, the beautiful house – but you're not right on the inside."

Will (above) added: "Becoming famous is such a weird thing. You have money, which makes life a lot easier, but it also turns you into a 2D version of yourself."

"You can be standing in the supermarket and someone will come up and say 'I hate you. You're an idiot'."

"And you have to deal with that."

Thousands look for Love

REALITY dating TV show *Love Island* has received more than 150,000 applications from hot young singles wanting to be in this summer's series.

With last year's show – won by Kim Cetinay and Amber Davies (above) – a hot television hit, it's no surprise so many are hoping for their chance to appear in the luxury ITV2 villa.

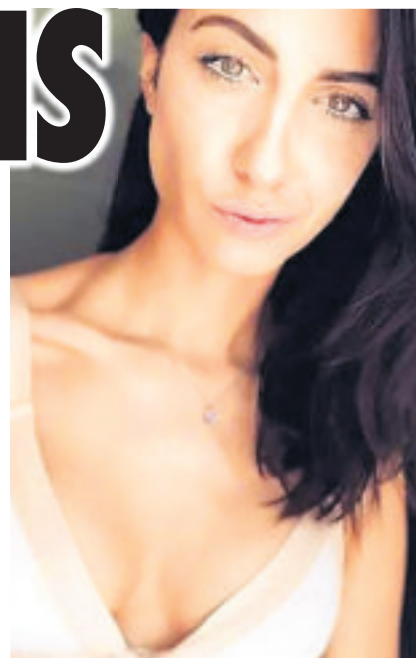

Host Caroline Flack isn't surprised by the numbers and said: "I mean, why would you not apply?"

"Firstly, everyone wants to be in love. Second, you get to be on holiday for nine weeks. Third, you get a good tan. And fourth, you get to have fun!"

Faking good court result for Chantal

A FIT woman who was told she could not be a cop because she had FAKE BREASTS has won a six-year court battle and given the right to join.

The 32-year-old, known only as Chantal, initially applied to join the police in 2012.

But despite passing all the tests, she was rejected for declaring she had had a boob job two years earlier. According to police regulations in

Berlin, where she applied, officers are not allowed breast implants because of the associated health risks and the possibility of them ripping during service.

Implants

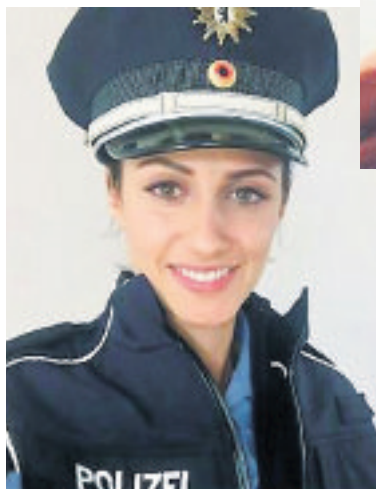

Refusing to give up her dream of being a cop, Chantal took the case to court in the German city. She won and after the case wrote

on Instagram: "Who's the girl in the jogging outfit? Now she's the girl in the combat uniform."

"I applied to join the Berlin police in 2012 and despite passing all the tests I was rejected."

"I told them I'd had implants in 2012 and was turned down for that reason. But you know me: I'm not letting that go."

"My lawyer and I went to court to prove to the Berlin authorities that I was fit for service even with my boobs. And we won!"

The 27-year-old, from Hammersmith, London, has plenty of experience in going down on ladies.

Sammie said: "I've been with a few girls in my time. I got it on with another model once in the toilets at a London club and we went down on each other."

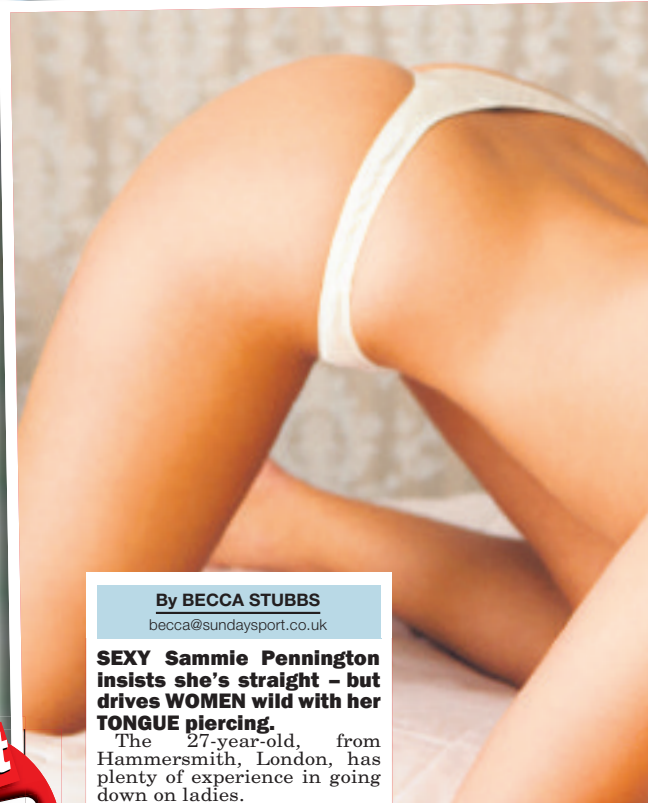

"I loved every minute of it until we were caught by the loo attendant. I'm not bisexual, I'm straight – even though I've been with girls."

Surprise

"I'm just really comfortable with my sexuality – I've kissed more girls than fellas, I think! When I have a drink I tend to grab the nearest girl. Lads love it!"

However, the 34E babe has an extra special surprise which girls go crazy for, adding: "I've got a tongue piercing and they love it."

"I like to tickle their clit with it and tease them. And I've got a really long tongue I can touch my nose with it so I love to see how far I can push it inside women too!"

A NEW survey has revealed how long sex lasts for most couples – so now you have a useful benchmark to use to compare your sex life.

Online sex toy retailer Lovehoney has surveyed 4,400 of its customers and found that the average bonk lasts 19 MINUTES.

But not all 19 minutes are spent thrusting, as couples spend around ten minutes on foreplay before nine minutes of the big bang.

More than half (52%) of couples surveyed were happy with that, but 23% of men and 19% of women said it wasn't long enough.

It seems sex lives have improved, as a study in 2008 found that 'adequate' sex lasted anything from three to seven minutes, while seven to 13 minutes was considered a 'desirable' duration.

In 2016, another study surveyed 500 couples with the average couple clocking in at 5.4 minutes, although that wasn't including foreplay.

Penetration

As well as improving on the average shag, the latest results reveal that nine minutes are spent on the penetration.

Results of the Lovehoney survey found that 75% of men climax every time they have sex, compared to just 28% of women.

A shared orgasm, where both partners climax together, happens around a third of the time, the survey found.

The study found that a shared orgasm is the peak sexual experience for 57% of men, but only 46% of women.

This is because orgasming during sex can be more difficult for women, with 61% saying they find it hard to cum during sex, while 24% of men said they found it difficult.

If you're a guy in a relationship and want to do your bit to shift that statistic, sex expert Jess Wilde gave a top tip.

She said you just need to "hit exactly the right spot to stimulate the G-spot during penetration (this is at 27 degrees)" – so good luck!

We asked three *Sport* stunnas how long they wanted sex to last...

Variety IS the spice of (sex) life

By JESS GALLEY

jess@sundaysport.co.uk

A NEW study has found that couples in OPEN relationships have a better sex life than those who stick with the same person.

The study, published recently in the *Journal of Social and Personal Relationships*, revealed that those who practised swinging and polyamory were more satisfied than those who didn't.

In the research, more than 2,000 people were asked about their sexual satisfaction and how often they bonked.

Those quizzed were made up of 1,507 monogamous people and 617 people who indulged in either open relationships or were swingers.

However, those who described themselves as 'non-monogamous' did have a primary partner but, perhaps surprisingly, their sex lives were not drastically different.

Researchers found that polyamorous people reported significantly higher rates of sexual satisfaction overall.

Satisfaction

A whopping 84% of those in open relationships reported having an orgasm in their last encounter, compared to just 72% of monogamous people.

However, the results found there was no difference in how often the two types of people had sex, despite one group having more than one option in the bedroom.

And while polyamorous people had higher rates of sexual satisfaction, they recorded significantly lower relationship satisfaction than one-lover people.

We asked *Sport* stunna Victoria Kemp what she thought of the results.

She said: "I enjoy having options when it comes to sex."

"I don't really like sticking with one person, because having a number of men I can call gives me better sex and some are better than others at different things in the bedroom!"

"Although, when I finally find a man who's good at satisfying me in every way, then I might consider sticking with him."

"Sometimes sex is more than just a bang – the best sex is when there's a real connection."

#MY SEX FANTASY

'Just swallow it down – it'll add to his pleasure!'

By BECCA STUBBS becca@sundaysport.co.uk

KINKY Anissa Kate has revealed she gives amazing head...by playing with every INCH of the WILLY.

The glamour babe, 29, claims she gives "the best blow jobs in the world".

Anissa, who has perky 32D boobs, says her technique never fails to make a guy explode in her mouth – and yes, she swallows.

The Bristol beauty explained: "Using your hands as well as your mouth and tongue can stimulate every inch of his cock and balls.

"You begin giving him a blowjob like you usually would.

"At the same time, move your hands up and down in tandem with your mouth.

"When you've got into a rhythm, take your hands away and take his cock deeper down your throat, using your tongue as an added tool.

Pleasure

"But don't forget about your hands. As you're building pace with your mouth, put your hands around his balls and cup them.

"Stimulating the whole of his member as well as his balls will have him exploding in no time. It's never failed for me!

"And, of course, don't spit it out – spunk is supposed to be good for you anyway so just swallow it down and it'll add to his pleasure.

"I love trying new tricks and techniques in the bedroom. There's nothing worse than doing the same thing over and over."

THE WORLD FAMOUS AGONY Page

Dear Sam,

MY daughter introduced me to her mate from university. She's 21 and blonde with a massive pair of tits.

As soon as I saw her I wanted to knob her, but I controlled my urges for the sake of my daughter.

A few days later I saw this girl in town and she asked if I fancied a drink. As we were chatting, she told me she loved sex and asked if I was up for no-strings fun.

I couldn't resist and we went back to her flat. She had my cock out in an instant and took me to the back of her throat.

I grabbed her tits as she sampled my love juice and later on I returned the favour and licked out her soaking fanny.

She got so turned on that she demanded that I bone her doggy-style on the couch. It was brilliant.

I now want to leave my wife and move in with her. Do you think I should?

PF, Durham

Sam says...

NO. You would just be making a fool of yourself.

Dear Sam,

I AM a 28-year-old bloke with normal sexual appetites. But I have to tell you about my first kinky experience.

I am a member of the local dramatic society and the director is a woman in her early 30s with a fantastic figure.

Trouble is she's a lesbian, so I was surprised when she invited me to her place for drinks after a rehearsal.

When we arrived she wasted no time in preliminaries and peeled off her T-shirt and jeans to reveal her great body.

As my knob stiffened she handed me a condom and I wondered what would happen next.

I soon found out. She turned round, bent over the sofa, presented her perfect arse to me and told me to bum her!

I hesitated for about two seconds before plunging my todger deep into her dirtbox for a most satisfying bonk.

Should I be ashamed?

HR, Stratford-upon-Avon

Sam says...

NO, you're just an opportunist.

Falling off my bike got me a far more satisfying ride!

Dear Sam,

I'M a 20-year-old bloke and the other day I was flung off my bike when I swerved violently to avoid two small children in the road.

I wasn't badly hurt, just stunned, and a Good Samaritan helped me up off the tarmac.

It was only after I had dusted myself off that I realised what a stunner she was - in her mid-30s with a great figure.

Her first words were: "You poor thing. Fancy a brew to help you recover?"

Her flat was nearby and two minutes after she disappeared into the kitchen she returned topless!

I couldn't believe my luck as

she sat me on the sofa, moved her hand to my growing bulge and expertly set my knob free before getting to work with her lips.

She sucked and licked my shaft until I was close to exploding, then said: "Shag me doggy-style."

Needless to say, I rammed her good and hard until we both climaxed together.

Now I call round every night, but I think my mum's getting suspicious.

Should I tell her?

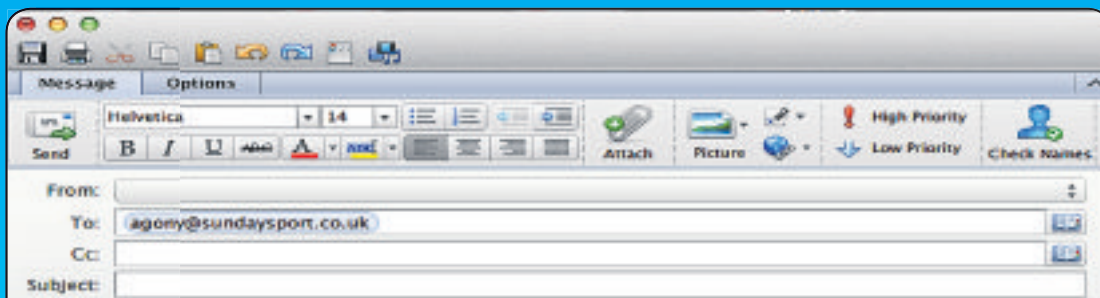

BW, Lincs

Sam says...

NAH, not if you don't want to. Just carry on riding two bikes in one day!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Football girls lost on pitch but got result in showers

Dear Sam,

I PLAY for an all-girl football team and after a disastrous performance the other week we were ticked off by our manager for losing to our bitter local rivals.

We were feeling very depressed as we trooped to the showers.

But our misery turned to joy when we discovered the groundsman, who's a strapping young six footer, singing his heart out as he scrubbed his tackle.

He didn't notice us at first and almost died of shock when our goalkeeper made a grab for him.

He desperately tried to avoid getting an erection but within seconds his magnificent tool was sticking up like a corner flag.

As the blood pumped through his throbbing dick, one of our defenders did a superb sliding tackle and took the soapy weapon deep into her mouth.

When she finally pulled her head away, she told him to go straight for her six-yard box.

He rode her like a stallion as the rest

of us cheered, then one of the other girls was sent on to take her place as a substitute.

A few of the girls on the team are dykes or swing both ways, but even they were so turned on that they started getting it on with each other in the corner of the showers, pleasuring each other with busy fingers and tongues.

That in turn only served to get our man of the match even more excited and he made it clear he wanted to be seen as a team player.

We soon had our hunk begging for mercy, but we were determined not to let him go until we'd all orgasmed one way or another and we tested his stamina to the limit.

Only then did we finally blow the whistle and allow him to sink exhausted to the tiled floor!

JJ, South Yorks

Dear Sam,

I WENT with my sister to a club where there was a male stripper performing.

After the show, lots of girls got pictured with the hunk. As I sat on his lap I felt his hard cock, so I slipped him my phone number. Half-an-hour later he was knocking at my door and I answered in just bra and knickers.

He was on to me like a fox on a rabbit and pushed me quickly onto my knees, before thrusting his tool into my eager mouth.

I sucked on him, bringing him to the brink before offering him my pussy. But he seemed more interested in his own pleasure than mine and quickly withdrew after spurting.

I found out later my sister had also given him her number and he'd gone from my place to hers for the same thing.

I feel like a tramp. Do you agree?

ML, Southend

Sam says...

IT'S not often that an entire team scores!

Sam says...

NO, but if you indulge in casual sex you can't complain when a fella treats you like that.

Massage parlour blonde tested my plumbing skills

Dear Sam,

I'm a plumber and I work with a great bunch of other lads. We're well paid and in big demand, so cash is never a problem on a big night out.

We've done all sorts of daft things but the latest was to hire a luxury coach to take us to a lap dancing bar in another town about 60 miles away.

Once there we soon got well-oiled and spent a fortune watching these babes gyrate in front of us.

It got us well worked up and on the way back one of the lads suggested going to a massage parlour.

I'd never been to one before and I was amazed to find the place full of beautiful women.

I chose a blonde in her 20s and she put a condom on my raging hard-on before sucking me off until I was really close to having a climax.

Then I lay back as she climbed on top, letting her wet fanny descend on my cock. My God, she felt great!

She rode me to completion but we were both eager for more, so when I got hard again I rammed her up the arse for good measure.

I fancy her so much, I wonder whether to go back and use her services. But it's a long way.

What do you think?

TN, Staffs

Sam says...

PUT it down to experience and look forward to your next night out with the lads.

Dear Sam,

I RECENTLY bought a new car for me and the missus and I was surprised to find my wife getting horny as we drove away from the showroom.

She said the new car smell was turning her on, as was the feel of the leather upholstery rubbing on her bare legs.

She hitched up her skirt to reveal her moist and naked pussy.

I could hardly contain my eight-inch gearstick in my pants as she fingered herself while I watched out of the corner of my eye.

We found the nearest secluded car park and had the best sex we've ever had in our 12 years of marriage.

I took her in the front and back seats, only stopping to regain my hardness after shooting my load time and again.

My wife kept screaming for more and she must have orgasmed at least five times before we collapsed on the back seat totally exhausted.

Now she wants us to go dogging in the new car. What do you think?

PT, Leeds

Sam says...

You might want to get some covers for the car seats if you do.

SHOW ME THE HONEY!

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

SARAH LONGBOTTOM

FLOOR FITTER Luke Halliwell spends his days laying all types of carpet and laminate – but he dreams of laying glamour girl Sarah Longbottom.

Luke, 35, from Glasgow, loves the look of 27-year-old stunna Sarah, from Oldham, and admitted to fancying the pants off her.

He said: "Sarah is a beauty, every time I look at her I get harder than any wood flooring or tiles I spend my days fitting."

"Her 32F megaboobs just add to her sex appeal and, honestly, I'd give up my floor business to spend one day laying her!"

SARAH MAXWELL

LOCKSMITH Kieran Taunton wrote in begging for a picture of his favourite glamour model Sarah Maxwell.

The 43-year-old from Birmingham reckons that 31-year-old Manchester-born stunna Sarah is the hottest woman he's ever seen.

Kieran said: "By gosh, I wish all women looked like Sarah, she's a real beauty and I love her perfectly-rounded 32C boobs."

"It's not everyday you see a woman that looks like Sarah, I wish I did though!"

VERENA TWIGG

RETIRED business-man Colin Holden fantasises about fellow Lancastrian topless beauty Verena Twigg.

Colin, 68, from Accrington, says Blackburn-born babe Verena, 30, is his dream woman and begged for a photo of her in underwear.

The 34D stunna posed in white stockings and suspenders and Colin is delighted with his photo.

He said: "I tell you something, they didn't make girls like Verena in my day, if they did I'd have had a field day!"

SPEARMINT RHINO BABE OF THE WEEK

Kerry

BRUNETTE beauty Kerry paraded her EYE-POPPING figure for this week's exclusive Spearmint Rhino photo shoot.

The stunning 27-year-old looked incredible in the brand new pics as she squeezed her ample assets into a whole host of saucy lingerie.

Kerry, from Birmingham, showed off her intricate back tattoo in one pose, which saw her bend over in a VERY suggestive position.

Proudly posing topless with her 32DD boobs on display, Kerry said: "I love posing

for sexy photo shoots, it really helps boost my confidence.

"I've loved being Spearmint Rhino's babe of the week and hopefully the readers of the *Sport* enjoy my photos, too!"

Spearmint Rhino has a number of gentlemen's clubs around the world which boast the most beautiful dancers.

If you can't make it to a club, you can find Spearmint Rhino girls at boxing and Mixed Martial Arts fights around the country, or at the British Superbike rounds.

THERE'S NOTHING FAKE ABOUT THE SEX HERE

STORMY DANIELS

It cost Donald \$130,000 (allegedly) but you can enjoy her for just £15!

PORN superstar Stormy Daniels finally broke her silence – and possibly a legal agreement – to spill the dirt on Donald Trump spilling his muck!

The writer, director and star of dozens of hardcore movies told of her night of passion with the President of the United States and, frankly, didn't seem that impressed. At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her \$130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance! Operation: Tropical Stormy is the woman born Stephanie Clifford in Louisiana at the top of her game in a big budget seaboard adventure. The f***ing scenes are just SEXsational and you'll watch them over and over again.

This 3DVD box set would normally cost you £25 in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pay £15! So, if you want to see Stormy taking some massive meat you know what to do!

RRP £25 ~~£25~~ **Bring this Sunday Sport & you pay £15**

THE US MASTERS GOLF STARTS ON THURSDAY

Rose: Heart break spurs me on

PLAY-OFF DEFEAT JUST MAKES JUSTIN WANT MASTERS MORE

JUSTIN Rose says he is looking forward to this week's US Masters — even after last year's heartache.

The Englishman came so close to getting his hands on a famous green jacket 12 months ago.

He walked on to Sunday's 17th tee with a one-shot lead in the Masters.

But a bogey meant a play-off with Sergio Garcia that the Spaniard won to claim his first ever Major title.

Rose admits that was hard to take and he came to

By **NICK JACKLIN**

Augusta a few days earlier than usual to get the defeat out of his system.

He said: "After losing in the play-off it was just important just to come and walk the grounds."

"You're going through memories, shots you hit and shots that didn't come off, so I wanted to have that walk before tournament week."

Rose admits that he was knocked for six by losing that play-off — especially after leading late into Sunday's final round.

He added: "The two weeks

after last year I didn't really want to play golf."

"I kind of was licking my wounds a little bit, but I really have positive and fond memories of last year. I hit a lot of great shots."

Hopes

"I don't feel like it was a tournament that anybody lost, really. It was great to be a part of a Sunday exciting back nine with birdies and eagles."

Rose has an excellent record in Augusta and is one of the bookies' favourites to win the tournament.

Despite that, he is trying

to keep a lid on his hopes going in.

Rose added: "I'm kind of coming in with high confidence but also low expectation."

"My skill set should produce a chance to win if all goes well."

"I need to execute really well this week to have a chance."

"But I'm coming in playing as good as I've ever played, so I'm excited about that. I feel like I put a lot of work into being ready for this tournament."

"I don't just come here by accident and play well."

There's a month or two of preparation to do it.

"And for me I always said I don't have to win it this year, I don't have to win it next year, but I would love to win it."

Prove

"If I keep doing that, then chances are going to continue to present themselves."

"I've won at the highest level, I don't have anything to prove to anybody."

"But I think how I'm going to be remembered in the game is really about what happens from here onwards."

LINING UP A WIN: Justin Rose wants a green jacket

IN THE SWING: Woods

Tiger's burning bright says Fred

FRED Couples believes Tiger Woods is close to the player he was 10 years ago.

The American golf legends played their practice round together before the US Masters starts in Augusta tomorrow.

Couples knows what it takes to win the green jacket and believes Woods is close to where he used to be.

That would be amazing given the amount of back surgery — and off-course traumas — Tiger has been through in recent years.

Couples said: "If you watched him play today, there's not much of a back problem."

"He's hitting it a long way and it looks beautiful."

"Today wasn't any different than it was 10 years ago when I played with him. It was pretty awesome."

"He's one of my best friends. I don't see him much, but as far as being around him, I just love the guy."

"Today the atmosphere was awesome. People were excited to see him and see him play well."

Chance

"It's always nice to see someone, but when they're doing what they do and they're doing it well, it makes for a pretty good atmosphere."

Some other big names are backing 42-year-old Woods to regain his Major winning thread.

Ernie Els has been impressed with the way his former foe has been playing.

The South African believes Woods has a genuine chance of winning the Masters.

He said: "To see him playing the way he is playing really excites me."

"To see him play this way, this is basically the way in which he played the game in his prime."

"To keep seeing that happen really gives me some chills."

"When he gets going again, you have to watch out."

"He's a player that's unlike any other player against or with."

Some bookies make Woods their 10/1 second favourite behind Jordan Spieth.

He's 20/1 to lead after the first round but just 5/1 to miss the cut after two rounds at Augusta.

THE WINNING POST

Be Bolder with Bob

HEAVY rain has damaged the racing calendar yet again and there will be many people out there slowly becoming all weather specialists.

Catterick will be riding very heavy if they manage to get their first meeting of the season on today and a soft ground specialist will be needed.

With this in mind I make **BOLDER BOB (NAP)** the best bet of the day.

A progressive handicapper last season, who looks the type to carry on improving this year now he has turned four.

He seemed to improve for the switch to soft ground last year and with that in mind he should appreciate the underfoot surface here again today.

Some of his form ties in well with some nice sorts and I would hope that he is fit enough to do himself justice on his return. If fully tuned up he

By **BEN MORGAN**

could look huge value at around 7/1.

Silvestre De Sousa maintains the partnership with **MONKS STAND** at Southwell today which could be a telling clue.

Chasing a hat trick he will likely be a warm favourite but on the back of two recent course wins it would take a brave man to take him on.

His rivals all seem to be struggling for consistent form and despite my selection shouldering plenty of weight I can see him handing out another beating.

Mark Johnston's **KALAGIA** was highly tried last year and performed well in some hot races.

She was well touted on more than one occasion which perhaps suggested connections were keen on her ability and although she didn't achieve a great deal last year it wouldn't

surprise me if she were to be a lot better than a mark of 74 this year.

Fitness is rarely a worry with this stable so her absence wouldn't concern me too much despite some of her rivals being racefit.

Later on in the day I would hope **VERSTAPPEN** can come forward from his comeback run at Wolverhampton.

Despite finishing fifth he wasn't beaten all that far and the subdued finishing effort could perhaps be put down to it being his first run of the season.

His form last year looks decent enough and like **Kalagia** it wouldn't surprise me if he proved to be a lot better than his current mark.

Alonso revs up for third title charge

FORMULA ONE

FERNANDO Alonso has warned Lewis Hamilton and Co that they won't have things all their own way this season.

The Spaniard was fifth in the opening Grand Prix in Melbourne and believes there's a lot more to come from his McLaren.

So much so that he thinks the team are genuine challengers to Ferrari and Mercedes and that he could yet land his third world title.

Far from being disheartened by his effort in Australia, the Spaniard thinks it was an excellent start for their new Renault-powered car.

Alonso said: "We saw the potential of the car, we understood we had a good machine in our hands."

"Now is the time for McLaren to come back to the top positions, and to do so you have to compete against the best teams in the world: Red Bull, Ferrari and Mercedes."

Circus

"And to be at that level we need to be better than them, and we need to close that gap as soon as possible."

"And this will come with updates and clever ideas, and I'm sure we'll bring those very soon."

The circus rolls into Bahrain this weekend with McLaren racing director Eric Boullier confident that the new car will perform better than in Australia.

He believes there is a lot more to come as they get used to the engine.

Boullier said: "You can see as well there is a

difference between qualifying pace and race pace.

"Our race pace is more competitive than our qualifying pace."

"We have plenty of potential and performance to unlock."

"Fernando knows what is coming, what we have but we can't use today, but it will be unlocked in the future races."

"We have already a lot of things coming which we couldn't have brought here."

McLaren are also leading the way in bringing new drivers through.

They have promised their Formula Two drivers Nick De Vries and Lando Norris a place in the sport's elite if either wins their world title.

De Vries said: "If I become the Formula Two champion in 2018, then I will get a seat in formula one."

"It's spelled out in my contract in black and white. If I meet expectations, I will be in formula one next season."

Root frustrated after England make it 13 winless away Tests

ENGLAND captain Joe Root admits he's a frustrated man after New Zealand held on for a draw in Christchurch.

It means the Kiwis win the series 1-0 and extends the Three Lions' winless away run to 13 Tests.

A dramatic England win looked on when Stuart Broad dismissed Jeet Raval and skipper Kane Williamson with his first two balls of the day.

But Ish Sodhi's unbeaten 56 and a long knock from Neil Wagner did enough for New

By NED TRUEMAN

Zealand to hold on for a draw. The home side were 256-8 at the close of play.

None of the current Black Caps team were born the last time they won a home series against England — back in 1983-84.

Root admits it has been a disappointing winter.

He said: "We threw everything at New Zealand, I'm really proud of how we went about it but they hung on really well."

"Bar getting bowled out for 58 in Auckland, it has been

really close and that's the most frustrating thing for us as side. We showed in this game how we want to play and what we're about."

England look short of quality in their batting line-up where the likes of James Vince and Moeen Ali have struggled to make runs.

Fifties

And the back-up bowling to James Anderson and Stuart Broad has also looked short of top-class.

For Root, he has been in and out of form with seven fifties but no centuries this winter. He admitted: "Seven

fifties, you want to convert at least half of those if not more as a top order batter."

"You want your senior batsmen to step up and make big contributions and I haven't managed to do that this winter, which has been bitterly disappointing on a personal front."

"But that's not for lack of trying and a lack of effort on my part, and I'll continue to keep working hard on my own game."

After a dismal display in Australia, many were calling for Broad to be dropped — or at least lose the new ball.

NOT LOOKING GOOD:
England have had a
bad Test winter under
captain Joe Root

seamer has come back fighting in New Zealand and looked much more like his old self after having a shocker in the Ashes.

Getting eight wickets in Christchurch bodes well for the summer and Root is pleased to have one of his main weapons back.

Control

He said: "This trip and these two Test matches have been massive for him moving forward."

"He looks like he's moving the ball both ways, he's got great control of his length and he's bringing a lot more dis-

missals into the game. It's great for me as a captain to have him back at his best. It's a really good sign for England moving forward."

There were other familiar failings for England as a host of catches hit the deck.

Coach Trevor Bayliss admits that proved costly.

He said: "I thought the effort the boys put in was first class but unfortunately we dropped a few catches."

"Taking those catches would have allowed us to bowl a little longer."

Bayliss agrees with Root that Broad has turned his form around. He added: "He's

probably turned it around from where he was in the Ashes. It wasn't quite coming out for him like he would want."

"On his short break after Christmas he worked very hard. He's got good rhythm in these two Tests and it was back to what we know from Stuart."

"The challenge for us is to find two or three other guys that can take a lot of wickets for us as well and not just leave it up to those two."

"The challenge for all those guys is to improve and be the ones that back those two guys up."

England place still firmly in the Ballance

CRICKET

GARY Ballance says his England Test match career is NOT over.

The Yorkshire captain hopes that getting big runs for the White Rose county can see him back in a Three Lions shirt.

Ballance has had several chances on the international stage — more than many pundits think he should have been given.

But he missed out on the Ashes disaster as well as the poor showing in New Zealand. The 28-year-old is convinced that his Test career is not over with 23 appearances to his name.

Ballance said: "I obviously want to play for England again."

"But there have been times when I've been focusing too much on trying to get back in the England team and not focused on trying to score runs for Yorkshire."

Colours

"So long as I do that, focus on getting runs for Yorkshire in the County Championship, then the other stuff will take care of itself."

Ballance was last seen in England colours against South Africa in 2017.

He had his index finger broken by Morne Morkel and has had to content himself with county cricket since.

Like many players, he struggles to bring his domestic form to the international stage.

He captained Yorkshire last season but the 2015 champions flirted with relegation. Ballance

BREAKER: Morkel

admits that's not the sort of record he wants as county skipper and hopes overseas player Kane Williamson can help.

He said: "Last year was tough. It was a definite learning curve for me and definitely a challenge, but I enjoy that."

"We could have had a better year last year, but as a group we all know that and we've worked hard in the winter to try and improve. I think we can put that right this year."

"We want to be winning trophies, but there's a lot of hard work that goes in to do that."

"You can't focus too far ahead, you have to focus on the job in hand and as a group, if we can be a bit more consistent this year, we will be challenging for those trophies."

"We've definitely got the talent. All our batters have scored big runs before."

"They know they can do it. It's just trying to put it together as a team and being a bit more consistent as a team."

COULD HE GO CAGEY?
Jurgen Klopp needs a clean sheet tonight

TONIGHT sees the 179th meeting of Liverpool and Manchester City.

It's arguably the most important game between the clubs in their history as they go head-to-head in the quarter-final of the Champions League.

Liverpool are unbeaten in 14 European games at Anfield and you have to go back to October 2014 for the last time they lost a home tie. City were magnificent in what appeared no more than a friendly at Goodison at the weekend but there will be a different atmosphere on and off the pitch this evening.

Score

City are 13/10 with BetVictor to take a lead to the Etihad on Tuesday with Liverpool 15/8 and the draw at 27/10. Writing in his BetVictor blog Michael Owen predicts a 2-1 win for the Reds, which is priced at 21/2.

The two Premier League games this season produced 12 goals and a red card for Sadio Mane—who is available for the Merseyside derby at the weekend having somehow escaped a similar sanction at Selhurst Park at the weekend.

Both teams to score tonight is 1/2 and under normal circumstances, you would think this is a good thing, but is it possible that we will see a more cagey

BUT CITY WILL GET AWAY GOAL

approach. Indeed, would Jurgen Klopp take a 0-0 draw now and take his clean sheet to the Etihad?

Before this season, Mohamed Salah had scored three times (no assists) in 15 CL games for Roma, Chelsea and Basel. This season the Egyptian has scored six and had one assist in his eight CL ties.

Salah is 5/4 to score again this evening and there are sure to be comparisons made between the players of the season Kevin de Bruyne and Mo Salah.

The brilliant City midfielder is 8/11 to be named PFA Player of the Year with Salah Evens with BetVictor and if City qualify then there can only be one winner. City are 4/9 to reach the semi-finals for the second time with Liverpool 13/8.

Liverpool to win and both teams to score is 15/4 at BetVictor and I think they will take a lead to the Etihad.

One interesting statistic that bodes well for both clubs. Of the eight remaining sides in the CL Liverpool (25y 311d) and City (26y

134d) have the youngest average starting XIs.

Roma have a number of injury doubts ahead of their trip to the Nou Camp this evening and Barcelona have only conceded twice in their last nine unbeaten CL games. The Italians have never reached the semi-finals of the CL and I do not expect them to buck that trend against the Catalans.

Barcelona to win to nil tonight is 11/10 with BetVictor and that is the tip.

Leave

There are sure to be managerial casualties this summer – but who goes first?

Antonio Conte is 7/4 favourite and the Italian is 8/1 to be the next boss of Italy and the same price PSG although former Dortmund coach Thomas Tuchel is 1/2 to take over in Paris.

Chelsea play Southampton in the FA Cup semi-final and you would not expect Conte to leave before the Final if, as I expect, the west London side reach it.

Arsenal are favourites

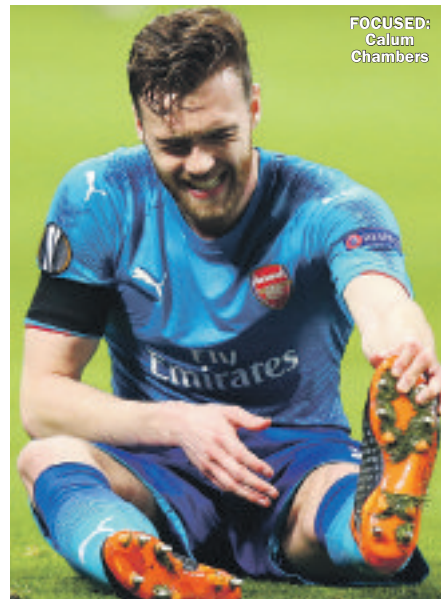

(2/9 at BetVictor) to qualify for the semi-final of the Europa League and they are 5/2 to lift the trophy in Lyon next month. Wenger is 6/1 to be the next manager to leave and, as with Conte, he is unlikely to go before the summer – if he goes at all.

Sam Allardyce is 12/1 with BetVictor and that looks far too big given the mood of Evertonians. The Blues were embarrassing against City and if they get another chasing against Liverpool, I would expect the club to react.

Allardyce's tactics and selection were baffling and they never laid a glove on the champions-elect. Joseph Parker and Anthony Joshua must have been watching.

I am convinced Everton will change this summer with Shakhtar Donetsk boss Paulo Fonseca the latest to be linked to the club – his is 6/1 to be the next permanent Everton boss behind former Hull and Watford boss Marco Silva 3/1 and former Everton midfielder Mikel Arteta at 5/1.

Row must not poison Europa tie says Calum

Arsenal v CSKA Moscow

Thursday, 8.05pm kick-off, live on BT Sport 2

ARSENAL'S Calum Chambers says politics must stay out of football when the Gunners take on CSKA Moscow.

The Russians head to London with the two countries at loggerheads over the Salisbury poisoning row. While most footballers wouldn't take an interest in the news, Chambers clearly has half a brain.

But he insists that the action must stay on the pitch, particularly in the return leg in Moscow.

Extra police will be on duty to keep a close eye on the travelling CSKA fans. The team still has close links with the Russian army.

Chambers said: "We are just trying to focus on the game. You can get too wound up with things going on around it."

"At the end of the day it is a football match and we want to go and win and get a good result so I think everyone is fully focused on them, how we are going to play against them."

Score

"That is the best way to do it and not focus on other things around it."

Arsene Wenger admits he's not sure who his best team is for the CSKA tie.

Alexandre Lacazette is fit again and came off the bench to score against Stoke at the weekend.

With Pierre-Emerick Aubameyang cup-tied and Danny Welbeck nursing a back problem, Wenger

INJURY DOUBT: Cech

doesn't have a lot of options in attack.

Wenger said: "Lacazette's still lacking a bit of competitive edge."

"He's been out for two months, he worked hard but he still lacks a fraction maybe."

"In training he looks sharp. How long can he last in the game? I don't know. He certainly needs one or two more games."

"Will he start on Thursday? I don't know, I will have to wait a little bit."

The Gunners also have doubts at the other end of the field where Petr Cech continues to struggle with a groin strain.

He missed the win over Stoke and is touch and go for the Europa League clash.

Wenger said: "Cech is better today, he will go out for a little session maybe now."

"I still think he will be short for Thursday."

In that case, Spaniard David Ospina will keep his place between the sticks against CSKA.

FAMILY AFFAIR FOR BIG DAVE

BAD FORM: Hazard

Real Madrid switch their Hazards on over transfer

REAL Madrid are going cold on a move for Eden Hazard — because his form on the pitch has slumped. The Chelsea forward has not managed a goal or an assist in his past five games. And he was poor in the two Champions League ties against Barcelona where Chelsea were easily beaten.

Real had long had Hazard at the top of their shopping list.

But unless he has a stellar World Cup for Belgium, Madrid will not want to fork out £100million for his services.

At the same time, it is almost certain that Chelsea will have a new manager before next season kicks off.

Stamford Bridge insiders say owner Roman Abramovic would like to get rid of Antonio Conte now — especially after the poor showing against Spurs at the weekend.

That has left Chelsea with a mountain to climb to play Champions League football next season.

With games running out, they are eight points behind fourth-placed Tottenham.

Chelsea and Italy legend Gianluca Vialla insists Conte is desperate to leave the club.

He said: "Conte can't wait to leave Chelsea.

"He can't stand that they sell or buy players without consulting him. Chelsea would like a manager who is more of a club man."

DARREN Moore believes West Brom can still beat relegation — if the everyone at the club comes together.

The former Baggies defender — loved by the fans who called him "Big Dave" — has been handed the reins for six games after Alan Pardew was shown the door.

It seems impossible for West Brom to stay in the Premier League. They have just 20 points and are 10 adrift of safety. To have any chance at all they would have to come up with six wins, which is double the amount they have managed so far this season.

Given they have still to play Manchester United, Liverpool and Tottenham that doesn't seem very likely.

But Moore is determined to at least restore some pride at the Hawthorns after a stormy campaign.

He said: "West Bromwich Albion has always been a family for me.

"And that's the word I shall focus on — family.

"We need to get the unity back among everyone — the players, the staff, the fans, everyone connected with Albion, because that is the only way forward.

"I felt the pain on Saturday just like everyone. It's their club and

By MARK NAYLOR

it's their passion and love for it which makes it so painful at the moment.

"But let's get that unity back. We've had tough days before and we've always bounced back and that's what we will do again."

Pardew's farcical spell in charge ended after four months when the Baggies fell to their ninth defeat on the bounce.

As well as struggling on the pitch, there was the Barcelona debacle where several senior players "stole" a taxi in the early hours.

Moore was brought into the coaching staff by Pardew so he isn't being too critical about his former boss.

Grateful

He said: "These are never happy days at a club and it's never nice to see people leave their jobs.

"Alan showed faith in me and gave me the chance to work at first-team coach level for which I will always be grateful.

"It's a brutal business at times and unfortunately the results just haven't gone for us.

"But now all I can do is do everything in my power to focus the team for Swansea on Saturday.

"That's all I'm thinking about and everything will be geared to getting the preparation as right as possible to give us our best chance of a positive performance."

Leicester No2 Michael Appleton is 2/1 favourite with the bookies to get the West Brom job with Mick McCarthy and Chris Wilder both 4/1.

UNITED STILL BIGGEST IN ENGLAND

ANDER Herrera has told Man City that United are still the biggest club in England.

Pep Guardiola's men have the chance to make their fans' dreams come true by winning the Premier League at Old Trafford on Saturday.

A win in the Manchester derby would see City crowned as champions.

But Herrera is adamant that United will be straining every sinew to make sure the Blues don't win on enemy soil.

And he insists that the Reds are the No1 club in England even if they are off the title pace at the moment.

Herrera said: "I have learnt in

By ANDY MILLOM

my time here how difficult it is to play for the biggest club in England — and one of the biggest in the world.

"Everyone expects you to win, and when you don't, people who aren't United fans talk so much about you and they love to see you lose.

"But that shows how big we are. We don't think about the others, they think about us."

The 28-year-old has largely fallen out of favour with boss Jose Mourinho this season as injury has seen him on the sidelines.

There is strong talk of new

midfielders coming to Old Trafford this summer — but Herrera insists he will stay and fight for his place.

He said: "I have already played more than 150 games for this club and I want to keep adding games and trying to play as well as possible because one day when I retire from football, I will say I had the chance to play for the greatest club in England.

"So I want to enjoy every moment, not only the matches but also at the training ground.

"The first thing to be able to do that is to be fit and that's why I am so happy to be back with the team.

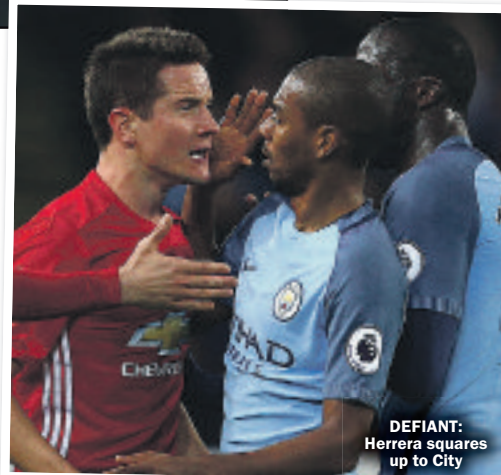

"I haven't had many injuries

for the last two years but I've now been out for a few weeks and I am a very bad patient. I want to play, I want to be ready. I want to be available for the manager and for the team."

Meanwhile, Daley Blind has been given a boost by appearing in publicity shots for United's summer pre-season tour.

The Dutchman has been in and out of the team and he has been linked with a move away from Old Trafford.

But he was used in the pictures to promote United's trip to America alongside Alexis Sanchez and Juan Mata. The Reds will play Club America and San Jose in July.

BIG DEAL: De Gea

**£350,000

DAVID De Gea will pocket an amazing £100million by staying at Old Trafford.

Manchester United want to end all speculation over their goalkeeper by offering him a staggering £350,000 per week for five years.

Add signing-on fees and the Spaniard will pass the £100m mark — making him one of the best-paid players on the planet.

United are concerned that Real Madrid or moneybags Paris St Germain will come calling after the World Cup with a megabucks deal.

That's why the Reds are putting the massive offer on the table now — before he gets a worldwide showcase in Russia this summer.

Now that Zlatan Ibrahimovic has departed for LA Galaxy, United have more wriggle room on the wage bill.

De Gea is widely acknowledged as the best goalkeeper in the world and Jose Mourinho knows he would never be able to replace him.

The Spaniard's displays this season have been as good as ever with many pundits believing he's saved United 10 points.

Without those, they would be battling to get into the top four and the Champions League.

Massive

The 27-year-old has been Manchester United player of the year in three of the past four seasons — and there's every chance he'll get the prize again this time.

The £350,000 a week represents a massive rise on the £210,000 he is forced to get by on at the moment.

It would make him the second-highest earner at the club just behind Alexis Sanchez.

The deal would also send out a message to other targets like Gareth Bale that United mean business and are prepared to pay stellar wages.

The news is less good on another player the Reds were hoping to sign.

Tottenham central defender Toby Alderweireld is high on Jose Mourinho's shopping list after indicating he wants to leave London.

But Paris St Germain are also sniffing around and could outgun United on the wages front even after the De Gea deal. The Belgian is likely to wait until after the World Cup to make up his mind.

MEGA NIGHT IN THE CHAMPIONS LEAGUE

ATTACK ATTACK ATTACK

It's Liverpool's only realistic chance of getting past City admits gaffer Klopp

JURGEN Klopp admits that Liverpool's only chance of beating City is to go on the attack.

Even since buying Virgil Van Dijk, the Kop's defence has not been the most solid. In most Champions League quarter-finals the home manager would be happy just not to concede a costly away goal.

But Klopp knows there's very little chance of keeping a clean sheet against the runaway Premier League leaders at Anfield tonight.

And that means Liverpool will need to take a lead back

By JOHN ANTHONY

to the Etihad on Tuesday — and that means going for goals.

The league game between the two teams was a right roller-coaster affair.

Liverpool smashed in three goals in nine minutes after the break.

But their grim backline meant they were hanging on for a 4-3 victory when the final whistle blew.

The Reds' defensive hopes have been dealt a blow with the news that Joel Matip will miss the rest of the sea-

son. He picked up a thigh injury in the weekend win at Crystal Palace and needs an operation.

So that has left Klopp with even less choice than to go on the front foot.

The German said: "Thinking of a clean sheet against Man City doesn't make sense.

Skills

"Hoping they don't have a shot on target — you can forget about that.

"You need a fantastic display from your goalkeeper and defence and that is it.

"We have to dig in 100%

and use the space. The pitch is too big to organise it perfectly, for them as well. With our skills we can cause them problems and they can do the same, that is why it's so interesting.

"We beat City a few months ago. We knew before that it was possible, we know it now, it's just unbelievably difficult to do it."

Klopp believes that Pep Guardiola will be just as worried about Liverpool as he is about the Blues.

He added: "We have a lot of things Man City don't like. That's the reality.

"You have to be coura-

geous, take the initiative, do your thing and, whenever they have the ball, be very compact and very quick.

"So from a football perspective, this is definitely a very interesting clash.

Exciting

"The way we attack the opponent, the way we defend high is unpleasant.

"If we do that well they will have some difficulty coping with it.

"It will be very exciting. There's no guarantee this will work, in the end it's the lads on the pitch who will decide the game. But it will

KDB up for Salah storm at Anfield

KEVIN De Bruyne admits former team-mate Mo Salah will be hard to handle at Anfield tonight.

The two players were both bombed out by then Chelsea boss Jose Mourinho who made a big mistake in under-estimating their talents.

Salah has made a big impact since moving from Roma to Liverpool and De Bruyne has been impressed. He said: "He's been unbelievable. Nobody expected him to hit the ground running as he has done. I think to score that many goals in a season is unbelievable."

And the City player is expecting a massive night at a passionate Anfield — but he can cope with it.

The Belgian added: "I expect nothing less. I like to play at big stadiums and big crowds — it's what it's all about."

"I love the passion. There is a lot of passion in football and if you see the passion in the crowd you have to try to manage it."

Defeat

"The pressure has been on since I arrived here. If you look at the season until now maybe it's normal that we are favourites, but it's a different competition."

KDB believes one crazy spell made the difference in the 4-3 defeat at Liverpool earlier this season.

He said: "We had a 10-minute spell when everything went wrong. I think the game was 50-50 at the time. We lost a few balls and they scored quickly."

Boss Pep Guardiola is trying to play down the pressure ahead of the big quarter-final.

He said: "It is just a game, a sport. Like Kevin

said it is a nice place to play football."

But he made no secret of his admiration for Salah, adding: "Every game he always creates a lot of chances. The way Jurgen Klopp wants to play, it's perfect for him."

Guardiola also confirmed the rumour that Sergio Aguero will not be fit in time to face the Reds.

He said: "Aguero is not fit — has stayed behind in Manchester."

"He will hopefully be back in time for the derby on Saturday."

be no surprise if there is magic on the right and left, and that we'll always be on the left when the ball is on their right, and on the right when the ball is on their left."

But Klopp knows the size of the task facing his team, admitting that City are "probably the best team in Europe at the moment".

He added: "We need to be at our best. And in a few moments against City we were."

"We know what we have to do, but it's about doing it. It's a big game against one of the best team in Europe at the moment."

As well as Matip, Liverpool

have been dealt another blow in losing Emre Can. The midfielder missed the weekend win at Crystal Palace with a back injury.

It was hoped that he would be fit to take on City but it looks as though the first leg has come a day too soon.

Serious

There is better news as fellow Reds midfielder Adam Lallana.

He had missed this season with injury and limped off just minutes after coming on as a sub against Palace.

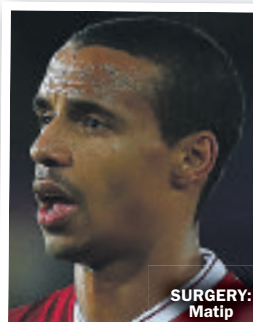

Klopp thought it was serious at first but the knock

appears relatively minor. He said: "Thank God, that's not as bad as we thought — a number of weeks."

"There is a little hope that we can use him again this season but we have to wait — it is not the time to bring any rush into the situation."

But one thing's for sure, Klopp is excited about taking on City.

He boomed: "I like difficult situations. It's about what we can do in this moment and preparing our boys in the best way possible both mental and physical. It's a big opportunity and we'll try everything to make it happen."
